# Toledo Area 78th Annual Exhibition Artists

August 11 - September 8

## Introduction

The Toledo Area Artists 78th Annual exhibition features work by some of the best artists in seventeen counties of northwest Ohio and southeast Michigan.

I would like to express my gratitude to Dr. David Steadman, Steve Frushour and the rest of the Museum staff who contribute their time and effort to bring you a new and dramatically different show each year. My thanks goes also to the Federation members for their generous efforts in each of their respective committees. A very special thank you is extended as well to our local sponsors and patrons whose contributions to the Toledo Area Artists exhibition are sincerely appreciated.

The jurors selected a well thought out exhibition from the many works of art that were submitted this year. The growing success of the Toledo Area Artists exhibition is assured with the continued efforts by the Museum, the Federation clubs, all our sponsors, and the new artists who join the ranks of those who have shown before.

Dawn Ostrand-Naujock  
President  
Toledo Federation of Art Societies, Inc.

The jury also presents the Israel Abramofsky Award of the Temple-Congregation Shomer Emunim of \$500 for an outstanding entry in any medium; the Molly Morpeth Canaday Award of \$350 for an outstanding painting; the Toledo Area Glass Guild's Dominic Labino Memorial Award of \$250 for excellence in glass; the Northwestern Ohio Watercolor Society Award of \$200; the Toledo Friends of Photography Award of \$200 for excellence in photography and the Roulet Medal for excellence in painting, graphics or sculpture.

The Toledo Federation of Art Societies occasionally presents a Special Award to a person in the community who has made a great contribution to the visual arts. A committee of officers and trustees unanimously agreed that Louise Marie Egnew should be given this award (posthumously) for her talents as an artist and her unselfish efforts on behalf of many area artist organizations.
